FOR THE FIRST TIME
all are talking about
cities, housing,
low-income homes'

He heads one of India's largest architectural firms, employing more than 550 including architects, urban and town planners, interior designers, landscape artists, civil engineers, CAD operators and 3D and graphic designers.

Architect Hafeez Contractor (AHC), India's leading architectural design consultancy, and headed by Contractor, has to its credit over 2,500 clients and 7.2 billion sq ft of ongoing projects in 100 cities across five countries.

Contractor completed his architectural studies from the Academy of Architecture in Mumbai and graduated from Columbia University in New York. Speaking to *Urban Vaastu*, he opens up on why vaastu after all is so important
